

# Augmented Reality Exhibit

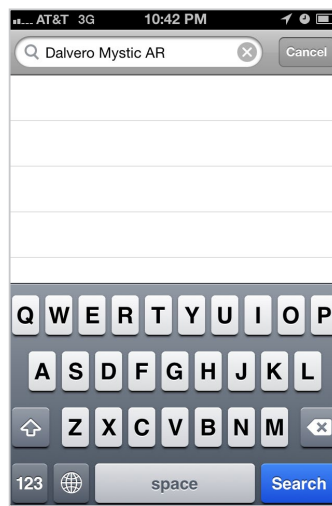

Experience artworks from the “Restoring a Past, Charting a Future” exhibit at the locations that inspired them! With augmented reality, all of Mystic Seaport becomes a virtual gallery, visible on iPhone and Android devices. **Follow these steps to see the augmented reality gallery:**

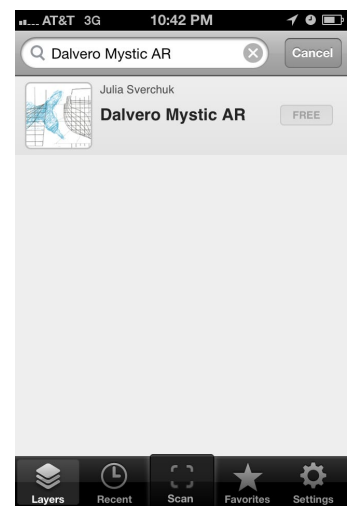

**1** Download the free Augmented Reality app “Layar” from the app store

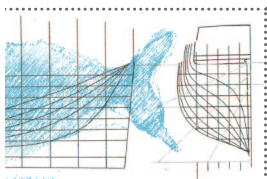

**2** Launch “Layar” app and hit “Layers”

**3** Type “Dalvero Mystic AR” into the “Search” field and hit “Search”

**4** Once found, hit the “FREE” button, followed by the “LAUNCH” button on the next screen.

RESTORING *a past*  
CHARTING *a future*

An Artistic Discovery of America's Whaling Legacy by Dalvero Academy
